

Basic School Colour Range

Available for ALL products. All items from across all our ranges can be made in our Basic colour range. These could swatches are approximate - please call us and we will send you actual ribbon swatches if required.

Extended School Colour Range

Available for ALL Satin ribbon items. All items from our 'Signature' and 'Custom' Range can be made in both our Extended or Basic colour range. These could swatches are approximate - please call us and we will send you actual ribbon swatches if required.

Don't see your school's desired colour here?

Please call us on 02 9809 1818 and we will happily source a specific colour for you. Our range is extensive and we can source almost any colour. If you are unsure about what colours match your school, please contact us and we will send you ribbon swatch samples to ensure our products perfectly match your school's image.
